## FANS LOOKING FORWARD TO A TIP-TOP GAME

Baseball fans are looking anxiously skyward today, for if tomorrow afternoon is decently clear one of the most important games of the year will be played at Athletic Park. The All-Chinese, who toured the country last summer, will go against the All-Hawaiians, who also made a successful trip to the mainland, and Honolulu fans will have a chance to size up the two teams in action against each other. The Chinese have played a number of games since their return, but this will be the first appearance of the All-Hawaiian travelers.

Unless rain is actually falling tomorrow afternoon, the game will be pulled off. Sam Hop has ordered a hundred sacks of sawdust, and the contents of these will be spread so as to improve the footing on the water-soaked diamond.

Apau will pitch for the All-Chinese, and Billy Williams will probably do the box work for the opposition, although Alex Deha may be called in to action at the last moment. The Hawaiian band has been secured, and will furnish music before the game and between innings.

## CURTAIN FALLS ON FOOTBALL BOGEY TOURNEY OAHU AND KAMEHAMEHA MEET TOMORROW TO INAUGURATE NEW HANDICAPS

Punahou's Fast Football Squad

### INTERSCHOLASTIC TITLE HINGES ON RESULT OF CONTEST

BY HOWARD D. CASE.  
Thanksgiving Day in any live city on the mainland is not considered complete unless two football teams, the cream of the season's output, have battled for supremacy. This custom, which runs back for years, has gradually broadened its scope until it now includes Honolulu, and tomorrow afternoon, in keeping with both custom and schedule, the Oahu College team, under Captain William Inman, and the Kamehameha School eleven, under Captain George Manoha, will meet on Alexander Field. Punahou, to decide the championship of the 1913 interscholastic series, the game being scheduled to commence sharp at 3 o'clock.

Football in Honolulu has this year received the biggest boost ever known; every school which boasted of any sort of worthy material, put a team in the field and the games have been far above the average. The game has received excellent support from the fans throughout, and the contest tomorrow afternoon, besides deciding who shall take the laurels, will be a fitting close to a practically perfect interscholastic season. From the fact that both teams are evenly matched, both in weight and speed, the final contest will undoubtedly be a hard-fought one, and one which should team with the keenest of interest. Both elevens are eager to secure the championship, and it is now evident that a score will be made only through the cleverest of gridiron tactics and the highest standard of field generalship. During the last four days, practice has been the watchword of both elevens, and, under the direction of their respective coaches, they have gone after it in a manner which should make things hum. Every man will be in the best of condition, and from the initial blast of the referee's whistle it will be a touch and go to see who wins.

Hard to Pick.  
There would be little use in trying to pick the winner of tomorrow's contest, for it is nip and tuck which aggregation will take the laurels. Both captains are confident, however, of coming out the winner, and such confidence will only serve to make the game more interesting. There may be some little disappointment among the fans from the fact that the High School was forced to withdraw from the series to give place to Kamehameha, but the hard and fast rules laid down by a committee composed of representatives of the different teams, setting forth which team should play the collegians on Thanksgiving, were lived up to by the cadets, and they won their right to play the contest.

The line-ups of both aggregations have been completed, and, as there have been no vital changes made, they remain the same as used in the contests last Saturday. Both Punahou and Kamehameha have large squads, and in the game tomorrow only the best players will be used. Both elevens realize that it is going to be a hard-fought contest, and only the best available material will be seen in action.

The biggest crowd that has ever attended a football game in Honolulu should be out at Alexander field tomorrow afternoon, weather conditions permitting. The game is scheduled to commence at 3 o'clock and the admission to the field will be 35 cents. There promises to be considerable noise from the mauka side of the gridiron, for Cheer Leader Emory of Punahou has been drilling his tin-panners in the fine art of yelling and they

### RESERVE SERIES UNSATISFACTORY

Kam's refusal to play the O. C. second team puts an end to the reserve series with no team in the lead. Punahou beat the heavy Kam team on Monday and since they had been defeated once by the cadets they were eager to play off the tie. The coaches tried to arrange a game on Thanksgiving morning, but the cadets could not make it, so the second team series has come to an end. Honolulu-School for Boys is not in the league, and it was decided that they could not claim the championship on that account. Punahou was anxious to play off a tie with the Kaimukiles also, but the Honolulu team disbanded early and could not play again.

Thus, on account of the late entry of the cadets, and the Honolulu team's ineligibility, the 1913 reserve series has closed in a very mixed and unsettled state.

are ready to make the slopes of old Rocky Hill respond with the echoes of their verbal support. Cadet Major Makinney will lead the rooters from Kamehameha, and there promises to be some keen competition when these two organizations get face to face.

The officials for the contest will probably be chosen tomorrow morning. The line-ups at the beginning will be as follows:

Punahou.	R. E.	Kamehameha.
Gray	R. T.	Among
Renton	R. G.	Emo
Bond	G.	Namau
Hind	L. G.	McGowan
McInerney	L. T.	Kauwe
Inman (Captain)	L. E.	Cockett
E. Baldwin	Q. B.	Ellis
Quintal	R. H. B.	Napthaa
Austin	L. H. B.	Manoha (Captain)
H. Baldwin	F. B.	Makanani
Brown		Correa

There is a flourishing forest school in the Philippines, and 28 men were graduated with the class of 1913.

The new system of automatic handicapping, adopted by the Oahu County Club recently, will be given its first try-out in tournament play tomorrow, when handicap match play against bogey is on the program. If rainy weather prevails, however, the event will be put off until next Saturday. Prizes are offered by the club for the first and second scores.

The automatic handicaps are figured from the best five cards turned in by the players, and are subject to change from time to time. The handicap list as now figured is as follows:

### DOUBLE-HEADER FOR BASKETBALL

Double-header basketball games will be played at the "K" tonight. This is the second series, and should prove very interesting. The first game will be played by the Manoa and the Oahu. Both teams are well matched, which argues for a close score. Cyrt Tinker has the management of the Manoa with F. Onstatt as captain and coach, while the Oahu have W. H. Meinecke and J. Nott.

The second contest will be between the Waikikis and the Nuuanu five. The Nuuanu have a strong team in the field and doubtless feel that the game will be theirs. However, something may happen that will break up their team work and they may be on the losing end this evening. Geo. Light, captain of the Waikikis while Leslie Forrest has charge of the Nuuanu.

## SECOND SERIES OF CLUB LEAGUE STARTS TUESDAY

Tuesday evening of next week the second series of the Club League bowling tournament will begin. The season will end with a big bowlers' banquet the evening of January 13. The same teams with practically no change in the line-up will start in on the coming series, each with enough confidence in their respective strength to win a whole set of cups.

The odds slightly favor the P. B. C.'s as the stronger team because of the consistent practice they are indulging in lately. It is thought that the invincibles, who held the cellar-championship throughout the first series until the home stretch, will be a strong contender for the championship honors before the season's close as they are very rapidly rounding out into form the last few days.

Following is the schedule for the second series:
